V/v: Explain and report on the situation of
overcoming the warning securities
situation

Respectfully to: **STATE SECURITIES COMMISSION**
HO CHI MINH CITY STOCK EXCHANGE

Japan Vietnam Medical Investment And Development Joint Stock Company (Stock code: JVC) ("Viet Nhat Company") sends our sincere greeting and profound thank to your institute.

On April 5 2023, Ho Chi Minh City Stock Exchange issued Decision No. 155/QĐ-SGDHCM on transferring JVC shares from control status to warning status from April 7 2023 due to the Parent Company's after-tax profit in 2022 being VND 21.76 billion and undistributed after-tax profit as of December 31, 2022 being -1,099.98 billion based on the audited consolidated financial statements for 2022.

On 05 September 2025, JVC received Notice No. 1605/TB-SGDHCM on maintaining the warning status under Decision No. 155/QĐ-SGDHCM dated 05 April 2023, because JVC's undistributed profit after tax as of 30 June 2025 was negative, based on the reviewed consolidated semiannual financial statements for 2025.

By this dispatch, Viet Nhat Company would like to report to the Authority the measures and roadmap to overcome the situation of securities being warned as follows:

Improving the company's business situation: During its operation up to now, the Company has taken advantage of market opportunities, implemented synchronous solutions to increase revenue, control and save costs, leading to a significant improvement in business efficiency. The Company is continuing to strengthen research, analysis and market evaluation, taking full advantage of and exploiting the existing strengths within the enterprise while continuing to radically reduce costs in administration and operation but still ensuring that production and business activities are continuous and still maintain and encourage the motivation of all employees. In addition, the Company's production and business results up to date continued to have positive profits, and investments also brought about clear results.

Continue to expand more Diagnostic Imaging Centers: Up to now, JVC has had 04 Diagnostic Imaging Centers (02 Centers in Hanoi, 01 Center in Ho Chi Minh City and 1 Center in Vinh City) put into operation and initially achieved good results. In 2025, One Imaging Centers center in Vinh City will continue to be put into operation. All Diagnostic Imaging

Centers of Viet Nhat are equipped with modern machinery systems, such as CT-Scenaria 128-slice computerized tomography system, Echelon Smart 1.5T magnetic resonance imaging system... ensuring the standards set by the Ministry of Health. The company cooperates with a team of doctors in the Department of Diagnostic Imaging at institutes, KOLs to widely approach customers, so the number of customers is maintained stably and tends to increase over time. The construction and expansion of the Diagnostic Imaging Clinic model not only comes from JVC's existing strengths, but also takes advantage of post-associate machinery resources, engineering teams, KOLs, etc. In the next phase, JVC will continue to expand the Diagnostic Imaging Clinic model in key provinces and cities in Vietnam. As of Sep 30, 2025, the Diagnostic Imaging Center has had positive profits and clear all accumulated loss.

Fiercely search for and deploy new products to increase the competitiveness of the Enterprise.

In 2025, the company launched a new product line in the intervention sector. This is a product line that brings practical benefits to patients, has a high meaning of contributing to social security and is also a world trend.

The company is trying every day to develop its business activities, striving to make a profit every year to gradually offset the accumulated losses of previous years. Overcoming the situation of securities being warned is always the top goal of Viet Nhat Company, in order to ensure the rights and maximum benefits of shareholders.

Viet Nhat Company would like to report to your institutes on the orientation as well as measures and roadmap to overcome the situation of securities being warned as above.

We absolutely strictly comply with the updating and disclosure of information on the above issues to your institute periodically every quarter (calculated according to the calendar year) in accordance with the provisions of the Regulations on listing and trading of listed securities.

Sincerely!
